

Surrey Fire Fighter's Scholarship

We are fortunate to be able to provide a scholarship opportunity to the children of Surrey Fire Service employees, as a result of the generosity of someone who wishes to remain anonymous and asks for no thanks other than following through on their instructions for awarding a scholarship.

We have established a Surrey Fire Fighters Scholarship Account. You can make voluntary donations at any time by sending cheques payable to Surrey Fire Fighter Charitable Society att: Todd Schierling. Any donations received will serve to build the fund over time, to hopefully preserve what has been started by the generosity we have already received.

Guidelines are as follows:

*Candidate must be a child of an employee of the Surrey Fire Service. This includes all past and present members as well as all divisions including the Administration. (Only immediate blood and adopted children, no grandchildren)

- Candidates must be between the ages of 16 and 24 at the time of application, and may only receive the scholarship once, but may apply for it as many times as they would like, within the age restriction as noted.
- Candidates may already be enrolled in school, working or unemployed.
- Candidates **should** maintain at least a C average, or the expected passing grade for any courses enrolled in.
- Candidates must submit a letter stating what their plans are for the future and what they have accomplished in the past.
