

# SURREY FIRE FIGHTERS' CHARITABLE SOCIETY

The Surrey Fire Fighters have been participating in the Adopt a Family program for more than twenty years, with twenty-five families and over fifty children being assisted each year. Each Fire Station adopts an entire family, supplying them with a food hamper and gifts for the children and parents. The celebration takes place at the YMCA with the assistance of off duty fire fighters and volunteers from our community partners. The event includes an appearance from Santa Claus, music, food for all the families and activities for the kids to enjoy. This celebration truly embodies the Christmas spirit, providing the opportunity for many disadvantaged families to enjoy a memorable Christmas.
