ONCE YOU ARE ONLINE

Change your name to your real name, ie from Chris Samsung Galaxy to Chris Price so I know who you are

When you are 1-2 picks away, type in 1sec, or and hit enter.

This way I KNOW you are online and ready, and that you are thinking about your picks.

If you don't do that, and 1-minute passes by, the Executive will try to contact you. If unsuccessful, they will pick for you.

Use the Zoom Chat to submit your picks: ie Price 27, 28, 13

ONLY enter picks when you are 1 person away or it's your turn. If you do it while you are 5 away, I won't see it.

After submitting your picks: If you see me go to the next person, your picks were good.

Keep an eye on the Zoom Chat. If there is an issue I will chat you.

Possible issue could be that there are too many off at your hall

While picking, and you see your screen up, and there is a Set that is GREEN, then you CAN NOT pick that set

Green means there are too many off at your hall, and you are restricted from picking that set.

If connection is lost or you can't enter Chat, or it says I'm not online, LOGOUT and RE-LOGIN

If it still won't work, text me at 778-288-9240
