# Ignite a Dream

An elegant evening of wine tasting, craft beer, and culinary treats. Proceeds from this cocktail social will provide education opportunities for youth in Surrey who have shown great resiliency in overcoming adversity.

The “Ignite a Dream” program is designed to help remove barriers and ignite the dreams of children in Surrey by providing educational opportunities that would not exist without our support. These awards are designed to change lives and inspire the recipients. Our hope is that they become valued and contributing citizens who are agents of social change since education is the cornerstone of a healthy, vibrant community. One person has the power to create change, regardless of his or her life circumstances. This award will give both the means and the opportunity to do more — to give back and to achieve beyond expectations.
